Program Options

Courses printed in BOLD are Aviation core courses. All core courses must be completed prior to registering Aviation 4500 *(Aviation Capstone, spring semesters only)*

Please see academic advising staff in Aviation for more information on various options within the Aviation program.

Acceptance Criteria

Acceptance into the Aviation major is dependent on the cumulative point-hour ratio (CPHR) and the eligibility point-hour ratio (EPHR) upon completion of the following pre-major courses: AVN 2000, 2100; Math 1151, 1172; Physics 1250; English 1110 and Engineering 1181, 1182. A minimum EPHR of 2.0 is required. Students must be in the major to take the 3000 level or higher Aviation courses.
