Program Options

CSE students wishing to explore options for technical/other electives or specific program information should contact an academic advisor in the CSE Advising Office (374 Dreese Labs).

Acceptance Criteria

Acceptance into this program is competitive and based on the OSU cumulative point hour ratio upon completion of Engineering 1100.xx; Engineering 1181, 1182, Physics 1250, CSE 2221; Math 1151; English 1110.xx; and fifteen (15) or more enrolled credit hours completed at Ohio State.

Applications are accepted every academic term (Autumn, Spring, Summer).

Optional: Foreign Language

Foreign Language 1103 Course: credit (including EM) for a foreign language sequence through 1103, or credit for a foreign language course with a prerequisite of 1103, can be used to satisfy the Cultures & Ideas Gen Ed category.

Foreign Language Minor Courses: completion of a foreign language minor permits a student to overlap up to 6 credit hours between the Gen Ed and minor. A curricular petition must be submitted to the student's program, which will forward it to the college for review. The courses must meet the spirit of the Gen Ed category for which overlap is requested.

Optional: University Capstone

Completion of a Social Science 3597 or 4597 can be substituted for a Social Science general education course in any subgroup. Completion of an Arts & Humanities 3597 or 4597 can be substituted for a Visual/Performing Arts general education course.

See the list of approved general education courses for additional details: www.advising.engineering.osu.edu.
