Instructions for Earning Honors Status as a Current Student in the College of Engineering

Eligibility Requirements

In order to apply for Honors status in the College of Engineering, you must meet the following criteria:

1. Complete 15 hours of graded coursework at OSU, and
2. Earn an OSU Cumulative Point-Hour Ratio (CPHR) of 3.4 or higher, and
3. Be able complete an Honors Thesis or an Honors Contract by the time of graduation.

If you meet these criteria, you are eligible to request Honors status within the College of Engineering!

To request Honors status, you must complete the College of Engineering Semester Honors Program Module. This online module is designed to introduce you to the wide array of enrichment opportunities offered through the Honors program and ensure you know the benchmarks you must meet to maintain your Honors standing. To access the College of Engineering Semester Honors Program Module, please follow the instructions below

Accessing College of Engineering Semester Honors Program Module

Go to www.carmen.osu.edu.
Log in with your OSU Username and Password.
On your Carmen homepage, click the link, “Join self-enrollment courses.”
Review the instructions listed and then click “JOIN...”

On the list of available courses, find and click “College of Engineering: Semester Honors Program Modules.”

(If you don’t see it, search for the phrase “Honors Program” to locate it!)

Review the description of the course to verify it is the one you want to access. Click “Register.”

On the registration form, enter your First Name, Last Name, and OSU Email Address (lastname.3@buckeyemail.osu.edu).
Verify that your information is correct. If it is incorrect, click “Back” and edit your registration information. If it is correct, click “Finish.”

Your registration is complete! This site will now be listed on your Carmen Homepage, under the term “Ongoing.”

To immediately enter the site and begin the module, click “Go to College of Engineering: Semester Honors Program Modules.” To return to your Carmen homepage, click “Done.”

This Carmen site is a central location for important information about Honors opportunities, updates to programs, upcoming events and information sessions. You will continue to use this site during your time in the Honors program, but first you need to complete specific steps to activate your Honors status.

Instructions on these steps are available on the course homepage in the section titled, “Interested in Joining Honors in Engineering?” Follow the steps listed and your Honors status will be activated!
