**Total Hours to complete the degree program = 128**

*Student may take Chemistry 1210 or 1250 to meet chemistry requirement

ECE 3010, 3020, 3030, 3040, and 3050 may be swapped between semesters in year three to facilitate taking later technical electives in the student’s domains of interest, as prerequisites permit.

## Acceptance Criteria

Acceptance into this program is based on a holistic review of the student’s record including an essay. Admission to major is considered only after a student has taken at least 12 credit hours of letter grade in their undergraduate career at OSU and have completed the following courses: MATH 1151, 1172; ENGR 1181, 1182; PHYSICS 1250, (or their equivalents).

Applications are accepted Autumn and Spring semester ONLY. Students must complete the online ECE Major Application the semester in which the student is completing their pre-major requirements (i.e. the semester before the students wants to enter the major). For more information please visit our website [https://ece.osu.edu/current-students/application-ece-major](https://ece.osu.edu/current-students/application-ece-major) or see an Academic Advisor in the Department of Electrical and Computer Engineering.
Technical and Directed Electives (27 hours)
At least 16 hours of the Electives must be ECE Technical Electives.

- Must take a concentration of 6 hours in one of the domains below.
- Must take at least 3 hours in each of two other domains below.
- Must include at least one 5000 level ECE Technical Elective.
- At least one ECE Technical Elective course must be a lab. (Courses with a lab component are underlined in the domain lists.)

Communication and Signal Processing Domain: ECE 4300 or 5300 or 5307, 5000, 5007, 5101, 5200, 5206, 5207, 5400

Computer and Digital Systems Domain: ECE 3561, 3567, 4567, 5362, 5460, 5462, 5463, 5465, 5466

Control Systems Domain: ECE 3551, 5550, 5551, 5553, 5554, 5555, 5557, 5561, 5567.01, 5567.02, 5759

RF and Analog Electronic Circuits Domain: ECE 4021, 5020, 5021, 5022, 5023, 5024, 5027, 5070, 5120, 5227

Electromagnetics, Microwaves and Electro-optics Domain: ECE 5010, 5011, 5012, 5013, 5017, 5510

Sustainable Energy and Power Systems Domain: ECE 3047, 5025, 5041, 5042, 5043, 5047, 5127

Solid State Electronics and Photonics Domain: ECE 5031, 5033, 5037, 5131, 5132, 5234, 5237, 5530, 5832, 5833

Up to 11 hours of the Electives may be Directed Electives from the ECE approved list. Directed Electives generally include: courses required for entry into other engineering majors; required and technical elective courses in other engineering majors; pre-med courses; business or entrepreneurship courses; math, statistics, physics and chemistry courses at higher level than required in the ECE core; and other physical science or biological science courses. For physical science or biological science courses a maximum of 7 hours numbered below 2000 may be counted as Directed Electives. (ece.osu.edu/currentstudents/undergrad/forms)

General Education Requirement

**Writing and Communication**

- English 1110.xx 3 hr
- Second Writing Course 3 hr

**Social Science**

Must choose each course from a distinct subgroup of this category.

- 3 hr
- 3 hr

**Literature**

- 3 hr

**Visual and Performing Arts**

- 3 hr

**Historical Study**

- 3 hr

**Second Historical Study or Cultures and Ideas**

PHILOS 1332 3 hr

**Social Diversity in the U.S. or Global Diversity**

Some courses may overlap with another GE category. See course list.

- 0 / 3 hr

**Ethics**

Some courses may overlap with another GE category. See course list.

Students must take PHILOS 1332 0 / 3 hr

Optional: Foreign Language

**Foreign Language 1103 Course:** credit (including EM) for a foreign language sequence through 1103, or credit for a foreign language course with a prerequisite of 1103, can be used to satisfy the Cultures & Ideas Gen Ed category.

**Foreign Language Minor Courses:** completion of a foreign language minor permits a student to overlap up to 6 credit hours between the Gen Ed and minor. A curricular petition must be submitted to the student’s program, which will forward it to the college for review. The courses must meet the spirit of the Gen Ed category for which overlap is requested.

**Ethics:** ECE students must take philosophy 1332 to fulfill their General Education Ethics requirement.

See the list of approved general education courses for additional details: www.advising.engineering.osu.edu.

Revised 7/13/2021
